TERM 3 WEEK 3

1 August 2024

## Principal's Notes

### Census

Today, Friday 2 August is Census Day with St John's School required to submit information for the State Government Census and Australian Government Department of Education and Training (AGDET) Census. This data collection provides the community and government with information about schools and students in Australia, collecting information on the numbers of students and staff per school, students on a visa, students with disability, indigenous Australian students etc. Census informs part of the My School website, giving parents and the community information about the needs of each school's students. Governments use Census data to calculate funding and create informed and tailored policies for Australian schools. Census reporting is required under the Australian Education Act 2013.

Regular school attendance is vital to help each individual student reach their God-given potential and flourish. This is particularly true for Friday 2 August so that the State and Federal Governments are provided with a true and accurate picture of the students enrolled at St John's School. If your child is absent tomorrow, it is imperative that we receive a written explanation for this absence on the first day he/she returns, for our records. This procedure is vital for our funding and audit purposes. Thank you, in anticipation.

### Church Update

During the week, I spoke with Bishop Michael and he advised me that a contractor has been appointed to repair the internal ceiling of the St John's Church. The contractor will be erecting a fence around their workspace, but parents/carers will still be able to drive through to access the school and for pick up purposes. The contractors have been informed of the close proximity to the school and all of the necessary precautions. Parents/carers are asked to continue to drive slowly around this area. When further updates are received, I will share with the school community.

### Smart Watches

We have a number of students wearing smart watches to school. If this pertains to your son/daughter, you are asked to ensure that all 'smart functions' such as the internet, notifications, messaging, camera, phone calls, games, videos etc are turned off during school hours.

Students are not to use the smart watch to message parents, and vice versa. All communication between home and school are to be done through the School Office or Seesaw.

Any inappropriate use of smart watches by a student will lead to the confiscation of the watch. Parents will be notified and the smart watch will need to be collected from the School Office by the student's parent/carer at the end of the day.

### Parental Concerns and Complaints

At St John's School, we endeavour to work in close partnership with our families. In our work, the students best interests are our priority. On occasions, parents, carers and students may have concerns, queries and complaints. The best avenue for queries to be dealt with is through the school. I strongly encourage parents and carers to make a time to meet with the respective staff member and allow that staff member to follow the processes that we have in place. Parents and carers are asked not to directly approach other parents or carers. Thank you for your co-operation in relation to this matter.

## Broadband Initiative

The Australian Government has launched the School Student Broadband Initiative to provide free home internet for one year for up to 30 000 unconnected Australian families with school aged students.

The program is available to all students who lack an active nbn connection at home. Families can register until December 2024.

To be eligible, families must:

- ✓ Have a child living at home that is enrolled in an Australian school.
- ✓ Not have an active National Broadband Network (nbn®) Internet service at home. Having a mobile internet service does not affect eligibility.
- ✓ Live in a home that can access the National Broadband Network via a standard connection – this will be checked for you.

Families can be directed to the following to register:

- Visit [www.infrastructure.gov.au/media-communications-arts/internet/nationalbroadband-network/school-student-broadband-initiative-ssbi](http://www.infrastructure.gov.au/media-communications-arts/internet/nationalbroadband-network/school-student-broadband-initiative-ssbi)
- Call 1800 954 610 (10am – 6pm AEDT Monday to Friday)

## 2025 Kindy Enrolment Interviews

Parents/carers, who have submitted their enrolment applications for Kindy for 2025, will be contacted very shortly to arrange a time for an Enrolment Interview. I look forward to getting to meeting your son/daughter in preparation for 2025 and their first step as a student of St John's School.

## Good News Story

Congratulations to the Eagles' Cup Football Team after their first game on Monday. Whilst the win was lovely, the reports received about their sportsmanship and overall approach to the game despite the weather trumped the final outcome of the game. Well done to all the players.

## Library News

The excitement is mounting. Next week the students will be choosing their books from the Super Library. Thank you.

2024 Children's Book Week is fast approaching, and the Staff here at St John's are already talking about their costumes. I can't wait to see what everyone will be wearing on the day.

This Saturday, 3<sup>rd</sup> August, the Friends of Geraldton Library are having their Winter Book Sale. This is a great opportunity to choose some extra reading material for Winter. Please see the details below

The poster features the Greater Geraldton Regional Library logo at the top left. Below it, the text reads 'Friends of Geraldton Library' in blue. A large blue umbrella icon is positioned above the words 'Winter BOOK SALE' in a large, bold, blue font. To the left of the text is an illustration of a shopping cart filled with colorful books. Below the main title, the location and date are listed: 'QEII Centre, 88 Durlacher Street, SATURDAY 3 August 2024, 9.00am -12.00noon'. A cursive-style slogan 'Something for Everyone' is written below the date. At the bottom, there is a list of book categories: 'Popular Fiction', 'Children's Book', 'DVDs', 'Non-Fiction', 'Talking Books', 'Jigsaws', 'Large Print', and 'Cassettes'. ## Sacrament of Confirmation

This term, select students in Year Six will celebrate the Sacrament of Confirmation. Please take note of the following information and key dates:

The Sacrament of Confirmation for St John's School will be held on **Tuesday 3rd September** at **6.00pm** at **St Lawrence's Church**. Further information regarding this Mass will be sent out closer to the date.

## Catholic Day

On **Monday 19 August**, St John's School will have their annual Catholic Day which will see the school closed. This day recognises the huge amount of extra work St John's School Staff put in to developing and nurturing the faith of our students throughout the year. I wish all the staff a restful and well-deserved break on Monday.

## Feast Day of St Mary of the Cross (Mary Mackillop) - Thursday 8 August

Mary MacKillop was the first Australian to be declared a saint by the Roman Catholic Church. She was known as Mother Mary of the Cross in her lifetime.

St Mary of the Cross was known for her generosity, courage, and sense of giving for others, particularly those on the margins of society. Saint Mary of the Cross was the foundress of the Sisters of St Joseph in Australia. With Father Julian Tenison Woods and her sisters, Saint Mary of the Cross pioneered some of Australia's earliest Catholic schools.

Within five years, the Sisters opened over forty schools in South Australia with the mission of serving the most disadvantaged and vulnerable children in these communities, before venturing to other states and territories across Australia.

## The Assumption of the Blessed Virgin Mary – Thursday 15 August

On Thursday, the 15 August the Year Four Class will be leading Mass, celebrating The Assumption of the Blessed Virgin Mary at 9:00am in the school hall. All are welcome.

On the Solemnity of the Assumption of the Blessed Virgin Mary, we remember when Mary was taken ("assumed") into heaven, body and soul, after she died. You will not find this story in the Bible. However, a tradition handed down from the earliest days of the Church says that Mary died in Jerusalem and was buried in a tomb. But when the apostles opened the tomb again, her body was gone. Why would God take Mary's body and soul into heaven? In part because Mary is special to God: she said "yes" to becoming the mother of Jesus. But God also wanted to show us that one day, all of us will share in the bodily resurrection of Jesus. Mary is the first person in the Church to experience the resurrection in its fullness.

The Solemnity of the Assumption of Mary is a Holy Day of Obligation which means it's an important feast day that we celebrate in Church with a Mass.

## Research Project: ABSENT FROM THE TABLE: Australian Catholics who do not regularly attend Sunday Mass

The National Centre for Pastoral Research (NCPRI), an agency of the Australian Catholic Bishops Conference, has developed a survey to investigate why some Australian Catholics do not participate regularly in Sunday Mass.

The participants in this study are Catholics in Australia who do not attend Sunday Mass on a weekly basis. Regular weekly attendance at Sunday Mass is defined as physical attendance three or more times a month, including the Saturday vigil. The definition for this project does not include attendance at services held online nor Sunday Liturgies in the Absence of a Priest.

**This survey is for Catholics aged 18 years or older.**

This is an opportunity for you to make known your experiences to the bishops, priests, parish communities and to a wider audience including schools and agencies of the Church. The important information gathered from this survey will be used to lay a strong research foundation to support further pastoral action in this area.
